EXPERIENCE:

2016-Pres.   **Independent Web Developer**
- Completed bootcamp-level training in 2016 (through theodinproject.com), including 50+ projects in HTML/CSS/JavaScript, MVC via Rails, Rspec testing, custom API integration, and SQL. Built a fully playable chess game in Ruby and a FaceBook clone with OAuth.
- Freelance client work includes:
  -A scheduling single page app built in React and Ruby on Rails with authentication, a simple custom admin CMS, and a performant UX.
  -A custom 3D Uniform Builder built in React, threeJS and paperJS.
  -Several small to medium-sized PHP projects, including a custom user importer for the WooCommerce plugin.
- Libraries: Sinatra, Rails, Rspec, React, jQuery, threeJS, paperJS, Mocha/Chai, Bootstrap, Pure CSS.
- Moderator and contributor for theodinproject.com (open source project)

2008-Pres.   **Music Teacher**
Distinctive Music Studios, Greenville, SC
- Teach online and traditional music lessons to students in multiple countries, 50+ over the course of 9 years.

2014-2016   **Account Executive and Sales Representative**
Showcase Marketing, Greenville, SC
- Contributed as junior developer on a couple client projects
- As sales rep closed 12-month quota in 6 months.
- As account executive led brand strategy, ad campaigns, marketing deliverables for fundraising events, and social media campaigns.

2013-2014   **Account Manager and Project Manager**
Your Creative People, Greenville, SC
- Served as the face of the agency for most of the client base.
- Project management for all studio projects.

2010-2013   **Academic Administrator, Music Professor, Conductor**
Universidad Cristiana de Las Américas, Monterrey, Mexico
- Planned, coordinated, and promoted seven community concerts.
- Fundraising and direction for several projects in a Hispanic-speaking nonprofit University, including remodeling a building.
