Development Experience

Various Clients | Raleigh, NC   November 2016-Current
Freelance Web Developer
- Design and build multiple sites with Squarespace and WordPress templates, incorporating custom HTML/CSS to achieve desired results
- Implement use of plug-in features, such as Zendesk chat, to provide clients with requested functionality
- Manage domain setup, hosting and full deployment of sites
- Current maintenance of site content and features

Raleigh Codesmiths | Raleigh, NC   December 2016-March 2017
Back-End Developer
- Implemented database structure improvements on existing projects in MS SQL Server 2015 by creating stored procedures and adding primary/foreign keys to relational tables
- Created and modify back-end of web applications with RESTful API calls using CRUD methodology
- Participated and contribute to key meetings involving stakeholders, UX/UI team, and developers
- Collaborated with team of developers in an Agile Scrum environment

Tech Talent South | Raleigh, NC   January 2017-March 2017
Part-Time Code Immersion Teacher's Assistant
- Assisted teacher with helping students begin to learn and further develop their coding skills, touching on HTML, CSS, JQuery, Ruby, Ruby on Rails, Git/GitHub, Bootstrap, SQLite, and PostgreSQL

Additional Work Experience

Carolina Vending | Raleigh, NC   May 2016-September 2016
AR/AP Specialist
- Input invoices, created purchase orders and invoices, received payments, made customer deposits, reconciled monthly credit card statements, followed up with overdue accounts receivable customers
- Updated VendMax and MEI databases with pertinent vendor/contract information
- Counted driver money bags each morning, verified total with reports and made company deposit

Piedmont Wildlife Center | Durham, NC   February 2016-May 2016
Office Manager/Bookkeeper
- Process employee payroll, input daily sales entries and invoices, issue checks for accounts payable, reconcile monthly bank and credit card statements and follow up with accounts receivables
- Update Access donor database daily and issue thank you letters for donations/memberships
- Assist five full-time staff as well as all other contractual educators by preparing camp marketing supplies, check in sheets and parent information

Thrive Financial Consulting | Boulder, CO   January 2013-January 2016
Account Manager/Bookkeeper
- Co-managed 17 customer accounts in restaurant, real estate and retail industries
- Co-managed vendor relationships and communicated frequently with key stakeholders
- Processed employee payroll, input daily journal entries and invoices, issued checks for AP

Boulder Shelter for the Homeless | Boulder, CO   September 2012-December 2013
Program Staff
- Co-supervised and evaluated 160 homeless people nightly
- Facilitated shifts and enforced strict personal boundaries by upholding shelter policies — sometimes resulting in reprimanding residents for inappropriate behavior
- Fostered strong relationships with shelter residents, encouraging them to share personal stories while maintaining a professional environment

Education & Training

Tech Talent South | Raleigh, North Carolina
Full Stack Code Immersion Course

Suffolk University | Boston, Massachusetts
Major: Public Administration
Bachelor of Science in Business Administration, summa cum laude

Victoria University of Wellington | Wellington, New Zealand
